

Child Safety Statement

APM is committed to the safety and wellbeing of children and young people. We respect and value the rights of all children and young people and support them to be involved in decisions that affect them.

STANDARD 1

Child safety is embedded in our organisational leadership, governance and culture.

STANDARD 2

Where we make decisions involving children and young people, we allow them to participate and ensure they are taken seriously.

STANDARD 3

Families and communities are informed and involved about our decisions and actions affecting children.

STANDARD 4

Equity is upheld and diverse needs are considered when making decisions affecting children.

STANDARD 5

People working with children are suitable, appropriately checked and supported by APM.

STANDARD 6

Processes to respond to complaints are child focused.

STANDARD 7

Training is made available to staff to equip them with the knowledge, skills and awareness to keep children safe and report appropriately.

STANDARD 8

We ensure our physical and online environments minimise the opportunity for child abuse.

STANDARD 9

We will continuously review and seek to improve our implementation of the Child Safe Standards.

STANDARD 10

We have policies and procedures which document how APM is child safe.
